- to write off the relevant gain or loss resulting from the transactions the Client made during or after the occurrence of the force majeure;
- to suspend or change application of one or all of the provisions of the relevant Agreement until the occurrence of the force majeure makes it impossible to comply with these provisions by the Company;
- to take or not to take any actions against Company, Client and other clients if the Company on good grounds considers it appropriate under the circumstances.

11.3. The parties shall not be liable to each other for delay or failure to perform its obligations due to circumstances of insuperable force (force majeure), arisen against the will and desires of the parties and which could not have been foreseen or avoided, including declared or actual war, civil unrest, fires and other natural disasters.

11.4. The party that cannot fulfill its obligations due to force majeure, shall, within 7 (seven) days, notify the other party about these circumstances. Failure to notify or untimely notification deprives the parties of the right to invoke these circumstances as grounds for exemption from liability for non-performance or improper performance of obligations under this Agreement. In case force majeure lasts for more than 1 (one) month, the parties must negotiate to develop a common position on the continuation of this Agreement. Annex A. Prop Firm Challenge: Simulated Account Usage For the purposes of the Challenge phase, all trading activities conducted by the Client are performed on simulated accounts. These accounts are designed to replicate real market conditions as closely as possible, but they do not involve actual monetary transactions or risk to real funds. The Challenge phase is a preliminary stage of assessment, aimed at evaluating the Client's trading skill, discipline, and adherence to risk management protocols in a simulated environment. While performance in the Challenge phase will determine eligibility to progress to funded account phases, no profits or losses generated during this phase are representative of real trading activity or result in actual financial gain or loss for the Client.

By participating in the Challenge, the Client acknowledges and agrees that: All transactions are simulated and do not constitute real trades. Any financial metrics, including profits and losses, are hypothetical and for evaluation purposes only. The simulated account serves solely as a mechanism for assessing qualification for subsequent stages with potential funding. Prop Firm Funded Account: Real Account Usage and Profit Eligibility Upon successful completion of the Challenge phase, eligible Clients may be granted a Funded Account.

The Funded Account is a live, real-money account funded by Be Prime Group Ltd. or its associated entities. While this account allows the Client to trade with actual funds, its usage is subject to strict trading rules and performance criteria. The following terms apply to the Funded Account:

1. Real Account Status: The Funded Account provided to the Client is a live trading account with actual funds, allowing the Client to execute trades in real market conditions.

2. Profit Eligibility and Withdrawals: Clients trading on the Funded Account may be eligible to receive a percentage of profits ("Profit Fees") based on their trading performance. Withdrawals of

profit fees are permitted only if certain performance benchmarks, including but not limited to a minimum Return on Investment (ROI), are met.

3. Minimum ROI Requirements: To qualify for profit withdrawals, Clients must achieve the minimum ROI threshold as defined by Be Prime Group Ltd. Failure to meet this threshold may delay profit distribution until the criteria are satisfied.

4. Adherence to Trading Rules: The Funded Account is subject to strict trading rules, including risk management guidelines, maximum allowable drawdowns, and other operational constraints. Violation of these rules may result in restriction, suspension, or termination of access to the Funded Account and forfeiture of accrued profits. By utilizing the Funded Account, the Client acknowledges and agrees to these conditions, including compliance with Be Prime Group Ltd.'s established trading rules, performance criteria, and minimum ROI thresholds. Prohibited Trading Practice

1- The Customer is prohibited from conducting trades that contravene the stipulations outlined in this section or the FAQ. Any trades that are in violation of these stipulations are strictly forbidden. The Customer must adhere to the rules and guidelines set forth in this section, as well as those established by the FAQ when utilizing the Services.

2- The Customer must not intentionally or unintentionally use trading strategies that exploit errors in the Services, such as inaccuracies in displayed prices or delays in their updates, including but not limited to practices commonly known as Latency Trading.

3- Executing trades using an external or slow data feed or performing gap trading is prohibited for the Customer.

4- Engaging, either alone or in cooperation with others, in any trades or combinations of trades across connected accounts or accounts held within the platform, if the purpose is to manipulate trading, commonly referred to as "Group Trading," is forbidden. Examples of such manipulation include entering into opposite positions simultaneously.

5-The use of any software, artificial intelligence, ultra-high speed, high-frequency trading, or mass data entry that could manipulate or abuse the Provider's systems or services, or provide an unfair advantage, is prohibited for the Customer.

6- Performing arbitrage (of any kind), including but not limited to triangular arbitrage, statistical arbitrage, latency arbitrage, market-making arbitrage, spatial arbitrage, pairs trading arbitrage, risk arbitrage, convertible arbitrage, volatility arbitrage, dividend arbitrage, tax arbitrage, yield curve arbitrage, or any other form of arbitrage that may exploit pricing differences between different markets or exchanges, is prohibited for the Customer.

7- Performing trades that are inconsistent with typical forex or any other financial market operations is prohibited for the Customer. They should also avoid any activities that may cause financial or other harm to The Provider, such as over-leveraging, over-exposure, making one-sided bets, grid trading, tick scalping, or account rolling. Engaging in any of these activities may raise valid concerns about intentionally harming The Provider.

8- Engaging in copy trading, where trades mimic or replicate the trading activities of other traders or entities without prior authorization from The Provider, is prohibited for the Customer.

9- The Customer, or any third party, is prohibited from participating in or collaborating to have a third party execute trades for the Customer, whether such third party is a private individual or a professional, or to permit access to or trading on their BE PRIME GROUP Challenge Account by any third party.

10- Accessing any third-party BE PRIME GROUP Challenge Account, trading on behalf of any third party, or conducting any account management or similar services where the Customer commits to trade, run, or manage a BE PRIME GROUP Account on behalf of another user, whether professionally or otherwise, is prohibited for the Customer.

11- Opening positions with sizes that are noticeably larger than those of the Customer's other trades, whether on this account or another one of theirs, is prohibited.

12- Opening positions with numbers that are noticeably smaller or larger than those of the Customer's other trades, whether on this account or another one of theirs, is prohibited. Using a high level of margin or extremely risky trading strategy is prohibited for the Customer. BE PRIME GROUP retains the exclusive right to impose trading restrictions, modify account parameters, or terminate trading accounts at its sole discretion to ensure the stability and integrity of its trading environment and platform. This right may be exercised under circumstances including, but not limited to: If BE PRIME GROUP determines that a client's trading strategy, behavior, or specific trade(s) pose a risk that is deemed excessive, or unmanageable under current market conditions, and that such risk could adversely affect BE PRIME GROUP or its customers. If trading practices are found to be incompatible with standard market operations or BE PRIME GROUP's risk management policies, including but not limited to the use of high leverage, over-exposure, unusually large or small lot sizes, or strategies that could potentially disrupt market equilibrium. If there are inconsistencies in trading patterns, such as a significant deviation from the client's historical trading behavior, or if the client's trading behavior significantly deviates from generally accepted market practices. If it is determined that a client's trading activities could lead to financial harm or operational disruption to BE PRIME GROUP or any third parties, BE PRIME GROUP reserves the right to limit or restrict the client's trading activities.

BE PRIME GROUP may impose restrictions to ensure compliance with applicable regulatory requirements, operational protocols, or internal policies designed to maintain a secure trading environment. To maintain transparency and ensure effective management of trading practices, BE PRIME GROUP will take the following actions when implementing trading restrictions or modifications: BE PRIME GROUP will make reasonable efforts to notify the client of any trading restrictions, modifications, or account terminations, providing the reasons for such actions. However, in cases where immediate action is required to protect the integrity of the platform, BE PRIME GROUP may implement changes without prior notice.

Clients will have the opportunity to request a review of any imposed restrictions or account actions. BE PRIME GROUP will consider appeals on a case-by-case basis but reserves the right to uphold its original decision to ensure the protection of its trading environment. BE PRIME GROUP shall not be liable for any direct, indirect, incidental, or consequential losses or damages resulting from the imposition of trading restrictions or account termination. Clients agree to hold BE PRIME GROUP harmless against any claims arising from such actions. If any or all of the Prohibited Trading Practices are carried out on one or more BE PRIME GROUP Accounts of a Customer or on accounts of different Customers, or by combining trading through BE PRIME GROUP Accounts and any BE PRIME GROUP Accounts, The Provider is entitled to cancel all Services and terminate all relevant contracts in respect of all BE PRIME GROUP Challenge Accounts of the Customer. The Provider may take any actions set forth in this section at its sole discretion. In such a case, the Customer shall not be entitled to a refund of the fees paid. If the Customer repeatedly engages in any of the practices described in this section, and The Provider has previously notified the Customer thereof, The Provider may deny the Customer access to all or

part of the Services, including access to the Dashboard and the Trading Platform, without any compensation.

Exceptions:

Applicable to POWERLIVE ACCOUNTS All Prohibited Trading Practices mentioned above are applicable, however there are small exceptions for our Powered Account as follow:

- Grid Trading: is allowed up to 3 positions as maximum, otherwise the trades should be dismissed.
- Copy Trading: is allowed only between own trading accounts. Any cross connected trading account will end with the termination of both detected accounts.

*In the event of a rule violation, **the POWERLIFE ACCOUNT** may be eligible for a one-time restart opportunity, subject to the severity of the violation. Please note that BE PRIME GROUP reserves the right to grant or deny this option at its sole discretion
